

## Villager

You are a Villager.

You do not wish to be eaten by a bear. Figure out who the bear is.

Watch out for those sneaky Bear Cultists, who will try to trick you.

**To Win:** If the Bear dies before time expires, you win!

## Villager

**To Win:** If the Bear dies before time expires, you win!

## Cultist

You are a Bear Cultist.

You want to martyr yourself (or a fellow Bear Cultist) on behalf of the gentle, noble beast who has infiltrated your village.

**To Win:** If somebody other than the Bear gets killed, you win! If the Bear is killed, or if time expires before somebody has been killed, you lose.

## Cultist

You are a Bear Cultist.

You want to martyr yourself (or a fellow Bear Cultist) on behalf of the gentle, noble beast who has infiltrated your village.

**To Win:** If somebody other than the Bear gets killed, you win! If the Bear is killed, or if time expires before somebody has been killed, you lose.

You are a Bear Cultist.

You want to martyr yourself (or a fellow Bear Cultist) on behalf of the gentle, noble beast who has infiltrated your village.

**To Win:** If somebody other than the Bear gets killed, you win! If the Bear is killed, or if time expires before somebody has been killed, you lose.

## Grizzly Bear

You are a Grizzly Bear. These Villagers look delicious. Wait for them to go to sleep, then let the festive maulings begin.

**Important:** You may not use human words. You may only grunt, growl, or make similar bear-like noises. If you speak, you lose.

**To Win:** Survive. If the Villagers kill somebody who is not you, or have not killed anybody when 60 seconds have elapsed, you win!

## Polar Bear

You are a Polar Bear, the sneakiest of all bears. These Villagers look delicious. After dark, you have a surprise for them. Hint: it's your teeth.

**Important:** You are a sneaky bear. Everything you say must be a lie. If you tell the truth about anything ever, you lose.

**To Win:** Survive. If the Villagers kill somebody who is not you, or have not killed anybody when 60 seconds have elapsed, you win!

## Black Bear

You are a Black Bear, the most inquisitive of all bears. You wonder what the Villagers taste like. Wait for them to go to sleep, then find out.

**Important:** You are a curious bear. Everything you say must be a question. If you ever make a declarative statement, you lose.

**To Win:** Survive. If the Villagers kill somebody who is not you, or have not killed anybody when 60 seconds have elapsed, you win!

## Sick Villager

You are a Villager.

You do not wish to be eaten by a bear.

**Important:** You have bearyngitis, an illness that prevents you from speaking. You may only grunt, growl, or make similar bear-like noises. If you speak, you lose.

**To Win:** If the Bear dies before time expires, you win!

## Jerk Villager

You are a Villager.

You do not wish to be eaten by a bear.

**Important:** You are a total liar. Everything you say must be a lie. If you tell the truth about anything ever, you lose.

**To Win:** If the Bear dies before time expires, you win!

## Nosy Villager

You are a Villager.

You do not wish to be eaten by a bear.

**Important:** You question everything, no matter what. Everything you say must be a question. If you ever make a declarative statement, you lose.

**To Win:** If the Bear dies before time expires, you win!
